

POSTools 5 Year Commercial Redistribution License

This site license is between Azalea Software, Inc. PO Box 16660, Seattle WA 98116 (AZALEA) and _____ (OUTSIDER), in which OUTSIDER agrees to license from AZALEA the **POSTools** font package (FONTS) governed by the following terms.

FONTS is a collection of TrueType and Type 1 PostScript fonts that create **POSTNET** bar codes. AZALEA will provide FONTS to OUTSIDER in either electronic format or on a CD-ROM.

FONTS is only to be distributed as a component bundled with _____ (APPLICATION). APPLICATION may be resold or distributed to others but only as a part of APPLICATION. FONTS may not be resold by OUTSIDER as a stand-alone font product.

In exchange for the limited right to distribute FONTS with APPLICATION, OUTSIDER will pay AZALEA a licensing fee of US\$2500 for a period of 5 years. Payment is due upon the signing of this license. After 5 years this license may be renewed. If this license is not renewed then OUTSIDER must cease distributing FONTS with APPLICATION. This license is non-exclusive and in no way restricts AZALEA's right to license FONTS to others. This license is non-transferable and cannot be reassigned by OUTSIDER without AZALEA's prior written consent.

FONTS is copyright 2002 Jerry Whiting. This site license in no way conveys ownership of FONTS from Jerry Whiting or AZALEA to OUTSIDER.

OUTSIDER will include the following copyright notice in any print and/or online documentation that accompanies APPLICATION:

The fonts in POSTools are copyright 2002 Jerry Whiting. Portions copyright 2002 Azalea Software, Inc. Seattle WA. All rights reserved.

In the event that a problem arises with the design of one or more font characters, if OUTSIDER is unable to come to terms with AZALEA on an appropriate modification, OUTSIDER will reserve the right to modify the characters themselves. Similarly OUTSIDER will retain this right should the file structure of TrueType or Type 1 fonts undergo some fundamental change in the future.

This agreement is executed on _____, 2010 and shall remain in effect for 5 years unless AZALEA sends written notice releasing OUTSIDER from the terms and conditions of this agreement.
